

LIMITED EDITION VECCHIA GRAPPA DI PROSECCO

1892 - 2012: 120th Anniversary

Produced in 1,000 individually-numbered Champagne bottles, this special selection was created to fittingly mark the 120th year of the distillery's founding. Distilled from the highest-quality pomace of Conegliano-Valdobbiadene DOCG Glera grapes, Vecchia Grappa di Prosecco stands out for its straw-yellow appearance, evidence of its 8 years' ageing in Limousin oak.

The nose releases initial notes of balsam yielding to floral notes, then to raisin, apricot, and honey. After a smooth, sweet entry on the palate, it assumes magisterial proportions as it evolves, culminating in a finish infused with fruit and subtle vanilla.

This personalised Champagne bottle, in a gift box likewise numbered and certified, makes a truly rare gift, an elixir prized by connoisseurs.
