

DISTILLED GIN

GIN

In late summer, bunches of golden, fragrant Glera grapes grow all over the gorgeous hills that are known locally as "Rive". This gin delightfully calls to mind the flavour and aroma of the famous Italian sparkling wine made with them. Fresh and fruity, on the palate it is intense, entrancing and wonderfully smooth but bold, with an interesting aromatic and rounded finish.

Ideal for making cocktails and long drinks, it's a great way to discover new taste sensations when served neat.

CHARACTERISTICS

Type: Distilled Gin

Distillation: batch distillation

Alcohol by volume: 41,7%

BOTANICALS

No fewer than five botanicals can be found in Distilled Gin: juniper (balsamic notes), lemon peel (fresh citrus notes), pears and Glera grapes (fruity and fragrant notes) and camomile (pleasant sweet and floral notes).

TASTING TIPS

It is ideal in all types of cocktails. When making Gin and Tonic, we recommend using Indian tonic water to bring out the best of the fresh, citrus notes. If you want to showcase the fruity, floral notes typically associated with the grapes, we recommend Elderflower tonic water.
