

# UVE BIANCHE DI MALVASIA E CHARDONNAY

pure distilled spirit of aromatic grapes

Luminous and pure to the eye, it boasts an inebriating bouquet of clean-edged summer fruit--apricot, pear, apple, and melon--and well-ripened grapes. The first sip reveals its smooth, seductive appeal, then it opens fully to smooth floral notes that showcase its refined delicacy and the distinctive qualities classic to the Malvasia and Chardonnay grapes.

Thanks to the single-batch bain-marie pot-still method exclusive to Da Ponte, the aromatic essences emerge unusually clean and sharply-delineated.

Superb when sipped on its own, it is also captivating in fresh seasonal fruit *macedonie* and in fruit-based cocktails.
