

LIQUEUR CHOCOZEN

Delicious Chocolate, Ginger and Grappa

Cream liqueur obtained by combining Vecchia Grappa di Prosecco, chocolate and ginger in a perfectly balanced way. Velvety, with a moderate alcohol content, it will win you over with its chocolatey taste with pleasantly spicy ginger notes.

The intensity of chocolate - rich and intense - is highlighted by the aged grappa.

The base is obtained by high-quality cocoa, delicately scented with vanilla beans, and then combined with milk. Then, the Vecchia Grappa di Prosecco Andrea Da Ponte is added to the liqueur.
