

LIQUEUR GATTANERA

liquorice, mint and Prosecco grappa

A sharp and velvety liqueur made from Prosecco grappa, fine Calabrian liquorice extract and peppermint.

With its intense black colour, GattaNera will capture you for the energy released by the fresh mint hints enveloping the rich liquorice notes.

The balsamic hints are combined with the rich liquorice essence; this sweet and full-bodied taste evolves into a gentle bitter after-taste, releasing all its intensity and pureness in a strong and sharp flavour.

You'll be amazed by its unique taste, moderate alcohol content and harmonic flavour, with typical digestive virtues.
