

LONDON DRY GIN

Just like the fragrant undergrowth and aromatic plants that thrive in the stunning Alpine foothills, this gin is intense, spicy and bursting with enticing sensations. Fresh and satisfyingly solid, it opens up with dry, free and fulfilling flavour, with an interesting aromatic and rounded finish.

Outstanding when served neat, it is also ideal for striking a sophisticated, soul-stirring balance between taste and aroma in cocktails and long drinks.

CHARACTERISTICS

Type: London Dry Gin

Distillation: batch distillation

Alcohol by volume: 41,7%

BOTANICALS

Rive London Dry Gin gets its aroma and flavour from six masterfully measured botanicals: juniper (balsamic notes), angelica (fresh jasmine notes), cinnamon (spicy notes), coriander (rounded flavour), lemon peel (fresh citrus notes) and cardamom (fragrant and floral notes).

TASTING TIPS

Bring out the best of the rich aromas and firmly structured flavour of London Dry Gin in classic or unconventional cocktails and long drinks by mixing it with grapefruit tonic water or Mediterranean tonic water. Of course, nothing can compare to the sublime, unforgettable sensations of drinking it neat.

BOTTLE SIZE

It is available in a 70 cl bottle.
