

YOUNG GRAPPA

LA VENEXIANA

La Venexiana is a young grappa that reflects all of the uniqueness of the renowned, prestigious Valdobbiadene and the typical local vines.

It is made with the very best, meticulously selected pomace from Cartizze Prosecco grapes in a double fractional distillation process using a traditional batch system. Crystal clear and sparkling, it boasts a particularly fine and delicate bouquet. On the palate, it is soft, crisp and slightly fruity.

La Venexiana comes in a refined blown glass bottle inside an attractive case.
